HENAN DINGXIN PHARMACEUTICAL TECHNOLOGY CO., LTD.

NO. 2369 MUYE ROAD(SOUTH), ADVANCED TECHNOLOGDY DISTRICT, XINXIANG CITY, HENAN, CHINA. 453000

ORIGINAL CERTIFICATE OF ANALYSIS

| Product Name: Arabinoadenosine | | |
|-----------------------------------|-------------------------------|--|
| Batch No. : C05202302001 | Quantity: 500kg | |
| Analysis according: QS-01-C05-01 | | |
| Date of Production: Feb. 25, 2023 | Test Date: Mar. 08, 2023 | |
| Expiry date: Feb. 24, 2026 | Date of Report: Mar. 13, 2023 | |

| | Items | Requirements | | Results | |
|--------------------------|---------------------|---|----------------------|---|--|
| (1) | Description | White, fine needle crystal or crystalline powder; odorless, tasteless | | White crystal powder; odorless, tasteless | |
| (2) Ide | | Positive reaction | | | |
| | Identification | The retention time of the main peak of the test solution was consistent with the reference solution | | Complies | |
| | | Have maximum absorption at 259nm, at 228nm with minimum absorption; | | | |
| | | The infrared absorption spectrum is concordant with the reference spectrum | | | |
| (3) | Specific rotation | -56.0 ° ~65.0° | | -64.7° | |
| (4) | PH | 6.0~7.0 | | 6.6 | |
| (5) | Loss on drying | ≤7.0% | | 0.1% | |
| (6) | Residue on ignition | ≤0.1% | | 0.1% | |
| (7) | Heavy metals | ≤0.001% | | Complies | |
| (8) | Transmission | ≥98.0% | | 99.7% | |
| (9) | Assay(HPLC) | 98.0%~102.0% | | 99.7% | |
| (10) | Relate impurities | ≤1.0% | | 0.1% | |
| Conc | lusion: | Meet the | requirement | | |
| Reporter: Chang Jie | | | Checker: Zhu Ruijuan | | |
| Chief of QC: Shi Xingxia | | Approval of QA: Tian Xiuli | | | |
