Triethylene Glycol Monomethyl Ether (CAS:112-35-6) analysis report

Product batch No.: 20220703	Quantity: 3000ml
Sampling date: July 5, 2022	Report date: July 5, 2022

Analysis results		
Analysis items	quality standard	Analysis results
appearance	Colorless transparent liquid, no mechanical impurities	Compliance with regulations
Gas phase purity (GC, %)	≥ 98.0	98.7
Moisture (KF, %)	≤ 0.1	0.07
Acidity (%)	≤ 0.01	0.003
Chromaticity (Hazen, platinum-Cobalt color number)	≤ 20	5

Conclusion:	Conform to the internal control standard of the enterprise
