

# MIDI FEED BIOTECH LIMITED

## Certificate Of Analysis

Product Name: Mono-Di Calcium Phosphate (MDCP) 21%

Manufacturing Date: 2022/5/13

Quantity: 2000kgs

Report Date: 2022/5/17

| Specification                           | Index  |
|---|--|
| Content of total Phosphorus (P)         | ≥21.0%   |
| Content of water-soluble phosphorus (P) | ≥40.0%   |
| Content of Ca: 15.0-18.0%               | ≥15.0%   |
| F                                       | ≤0.18%   |
| As                                      | ≤0.001%  |
| Pb                                      | ≤0.0015%   |
| Cd                                      | ≤0.001%  |
| PH                                      | 3.5-4.5  |
| Size                                    | 40 mesh,95% min,in powder,20-60 mesh ,90% min,in granule |
| Appearance                              | White Powder and White granuler                          |
