

**Powder & Granular Wood
Based Activated Carbon**

Certificate of Analysis

Date of issuance	: 13/11/2022
Reference Number	: ECPL/0691/2022-2023
Item Name	: Powder Wood Based Activated Carbon
Date of Production	: 11/11/2022
Batch Number	: 573
Quantity Produced	: 750 Kg
Product receiving date	: 12/11/2022

This is to certify that the following data is the true reflection of the findings of the tests carried out at EcoFriend Carbon Pvt. Ltd. lab on the above-stated batch number. The results are based on various investigations and assays. Sound and the latest technology were used for conducting the tests and a highly experienced expert was involved to prepare the analysis of the tests' findings.

Testing Characteristic or Feature	Obtained Values	Acceptable Standard
Methylene Blue Value	270 mg/g	270 mg/g
Ash (%)	7.5%	<10%
Moisture (%)	2%	<5%
pH	10.2	9-12
Mesh -200 Pass	>90%	>90%

Date of Release: 13/11/2022
